

We offer the original purchaser of our vinyl and aluminum fencing: A non-prorated warranty that our fencing, railing, and specialty extrusions will be free from defects in material and workmanship when subject to regular and proper use. The non-prorated, limited lifetime coverage offered by this warranty applies to the individual homeowner purchasers only for as long as the purchaser remains the owner and primary occupant of the property on which the fence is installed. Please feel free to contact us for more details regarding this warranty. A lifetime craftsmanship warranty on installation. This warranty covers the labor and craftsmanship of the vinyl and aluminum fence installation. It does not include malicious damage, acts of God, or normal wear and tear. A lifetime post-in-the-ground warranty. This covers the integrity of the galvanized steel posts and aluminum post installed into the ground.
